# HELLO,

Thank you for your interest in becoming a BAM Canada Network Partner.

Our mission and goal is simple:

***To gather Canadian Christians passionate about missional business to grow in their redemptive purpose.***

We journey with partners in becoming the Canadian "Network of networks" hub - sharing knowledge, community learnings and collaborative opportunities for the benefit of individual members, your organization and uniting our nation around business as mission.

We promise to champion YOUR work, unique expertise and help you expand your influence, as you support our BAM Canada Network and the wider BAM movement in Canada and abroad.

There are 3 partnership levels, each with increasing benefits. This document will help you decide which level is best for your team and impact.

We are excited at the prospect of doing this journey together. The work, businesses and entrepreneurs we support are an essential part of God's Kingdom, transforming countless lives, communities, cultures, and the environment for the glory of God.

— ***The BAM Canada Team***
